### Report of Principal and School Improvement Council

High Hills Elementary, a Title I school, provides students in grades four and five a great place to learn. Our student enrollment is made up of military dependents from the nearby Air Force base and students from the surrounding rural community. We have a highly transient population; however, our school and district personnel, parents, community members and students work together effectively to create a positive and inviting learning environment.

Our teachers use district-wide unit plans, which address state standards and provide students with critical thinking and problem solving activities. This year, our teachers have attended a number of workshops, including Connie Prevatte's Balanced Literacy, Marilyn Burns' Math Solutions, and Chris Tovani's Comprehending Content. Our curriculum coordinator led a book study, Building Academic Vocabulary by Robert Marzano, to assist teachers in addressing the needs of their students. Our language arts teachers are also in a literacy class, which offers various approaches to teaching reading strategies and our mathematics teachers work with the math coach for weekly planning. We continue to utilize educational research and test data to focus on programs that will help increase student achievement. We have an enrichment teacher to work with students in small groups to address our weaknesses in English/language arts. Our weekly schedule also includes programs such as Accelerated Reader and computer lab. The child study team, academic plans, volunteers, and parenting workshops are examples of other programs in place to meet the needs of students at High Hills.

Although our school goal of every child scoring proficient or advanced on the PACT has not vet been attained. our students have made progress in all subject areas. We will continue to utilize research, involve our parents and community members, and focus on appropriate academic planning and instruction to improve the achievement of each child attending High Hills Elementary School.

# School Adequate Yearly Progress YES

This school met 21 out of 21 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

## School Improvement Status

School	Improvement Key
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanction: Implement the restructuring plan.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
